Dear Parent/Carer

End of Term Update

We hope this letter finds you well. We would just like to say a massive congratulations to your daughter for her consistent hard work, attitude to learning and resilience this term.

Year 7 have transitioned to life in secondary school extraordinarily well. We have had lots of fun so far this year at the Year 7 disco (including some questionable dance moves by tutors), Whole School Curriculum Day where students were taking part in languages and RS activities and the inter-house netball competition. Within PSHE this year, students have been covering healthy relationships, hygiene and bullying. After the holidays students will be learning about how our bodies change and puberty. Year 7 have also spent time this week writing festive cards back to their primary schools, wishing them a happy holiday and letting them know what we have been doing this term.

To thank the Year Group for being so fantastic, on Tuesday 13 December 2022, we will be having a hot chocolate & board games reward afternoon. This is due to the brilliant attitude, hard work and resilience Year 7 have shown this term. Your daughter is invited to bring in any board games they may like to play with peers and friends, this can include card games such as Uno too. Electronic consoles (such as Nintendo Switch) are not allowed. Students will be allowed to keep their board games in their form rooms or lockers until we start the fun after lunch. Please note that your daughter will be responsible for looking after the board game she brings in on this day, we cannot take responsibility for missing pieces or damage.

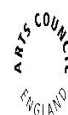

As a reminder, on Wednesday 14 December 2022 students finish early at 1.10pm. Our last day of term is Friday 16 December 2022 where students will be dismissed at approximately 12.30pm.

We hope you have a lovely break and get to enjoy a well-deserved rest. We look forward to seeing your daughter again in January, ready to learn and challenge herself even more.

Yours faithfully
