Dear Parent/Carer

Year 10 Post Sixteen Options Evening - Tuesday 27 June 2023

As you will no doubt be aware, this coming year your daughter is not only working towards her vital GCSE and BTEC qualifications, but will also be planning the next steps in her career journey. To ensure you have up to date information to support your daughter with this decision making process, we would like to invite you to our Post Sixteen Options Evening. You will be able to hear from our Sixth Form staff, a local college and gather information regarding apprenticeships and traineeships.

All students will gain some Level 1 (GCSE grades 3 and lower) and/or Level 2 (GCSE grades 4 and higher) qualifications by the end of their academic life at Tolworth Girls' School & Sixth Form. Deciding where these qualifications can take them will inform the higher education and employment opportunities that will be possible in the future. All students are required by law to remain in some form of education, training or employment with training until the age of eighteen.

Please complete the online form here <https://forms.office.com/e/XxFZ0jbWd9> to register your attendance at the event.

All students will discuss their future education and career plans with myself. I am also available during lunch breaks and after school to help students complete application forms, as well as to answer queries. Please do not hesitate to contact me should you have any questions regarding your daughters post sixteen options.

Yours faithfully

Mrs J Greenland
Careers Adviser
