

30 November 2023

Dear Parent/Carer

Year 11 Graduation Hoodies

The majority of Year 11 students have expressed an interest in purchasing a hoodie to celebrate their graduation from Upper School and for completing their GCSEs. This has proved to be a popular tradition with students over the years and we are keen to continue it.

Hoodies must be purchased in advance and are now available on ParentPay. The deadline for all orders is 4.00pm on Monday 8 January 2024. Please pay via ParentPay at your earliest convenience, ensuring that you carefully select the correct option for the hoodie that your daughter has ordered with us in school (see below for the two available options). After this date, there will **not** be any further opportunities to purchase a hoodie.

Cost:

1. Personalised hoodie with a name printed on the back - £22.34.
2. Plain hoodie with 'Class of' printed on the back - £17.29.

If you experience any problems or have any concerns, please inform the Finance Department in the first instance as soon as possible so they can assist you with this:

Finance@tolworthgirlsschool.co.uk

All students will receive their hoodie in February 2024 and will be permitted to wear them during their exams. However, as an incentive and reward, we would like to give the students the opportunity of wearing their hoodie as part of their uniform from the beginning of February. As this is a privilege and a reward, in order to qualify for early receipt of their hoodie, students will be required to fulfil certain criteria and ensure they are meeting our expectations for behaviour and learning. More information regarding how to achieve this will be shared with students in assembly.

Yours faithfully

Miss E Munt
Head of Year 11

Miss R Moher
Assistant Head of Year 11
