

Miss Harrison – Music Teacher

- I enjoy wildlife watching: this week I saw these two beautiful butterflies in the woods near my house...

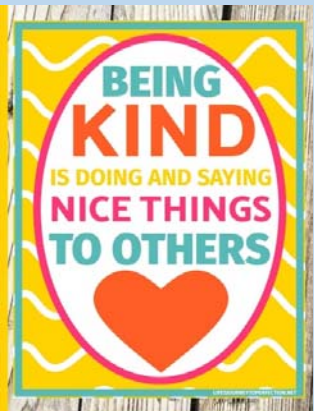

Silver-washed fritillary

Purple emperor

- I expect students in my tutor group to work as hard as they can, to be kind and to respect others

- In the summer holidays I am going to the Scottish islands. I hope to spot eagles, puffins and dolphins, and find shells on the beach, like these I collected on Reef beach, Isle of Lewis, last year...

I am looking forward to getting to getting to know you all

I aim to help you to make the most of your talents and be the best you can be
