

I teach GEOGRAPHY at TGS within the EBACC faculty.

Miss J Shave

After seeing several groups through TGS from Yr7-11 I am delighted to be starting again and watching your progress. I can't wait to hear about you, your interests and see you settle in at your new school.
All I expect is that you do your best!

About me – what I enjoy

Cake making (my chocolate brownies here)

Gym classes – yoga, stretch and pilates

Swimming – it's been a while!

Walking (me at Wisley at the weekend)

Reading – the school librarian has kept me busy with about 20 books in lockdown!

Welcomes you to TGS
