

# A little welcome from Miss Martinez

- I am a **Science Teacher** and I specialise in **Biology**.
- One of my favourite things to do is take my dog Pedro for **long walks** in the countryside.
- My expectations of you are to **be kind and respectful** to one another and to turn up to your tutor sessions each day **on time**.
- I am looking forward to **reading new books, baking lots of yummy treats** and going to the **beach** this summer holidays!
- I am really looking forward to meeting you all in September and finding out your hobbies, interests and passions too!
