

**Welcome to TGS!**  
 My name is **Miss Fenner**, and I will be your tutor this year.  
 I am also Assistant Head of Year 7.

**A bit about me.**

I teach Religious Studies. Although this year, I may be teaching some of you History and Geography too.

My dog is called Maisie and she and I like to go for long hikes ... followed by her snoozing!

I enjoy going into London, and learning about all the fantastic history right on our doorstep ... along with finding fabulous tea shops that have the best cake!

**What am I looking forward to about being your tutor?**

Mostly, I am looking forward to meeting you all and getting to know you.

I used to be a TGS student – a long time ago – but am starting as a teacher with you in September, so this will be a new experience for me too.

This year will be filled with new adventures and challenges for all of us. Working together as a team, everyone achieves more, something that I am looking forward to us all doing.

**What are my expectations of you?**

- Come in everyday with a **positive mindset** and be **ready and willing to learn**.
- **Listen** when others are speaking, and **be respectful** of their views.
- **Have high expectations**, both of yourself and others.
- **Be brave** - be prepared to make mistakes. That's how you learn.
