TRUSTEES' REPORT
FOR THE YEAR ENDED 31 AUGUST 2018

The Trustees present their annual report together with the financial statements and auditor's report of the charitable company for the period 1st September 2017 to 31 August 2018. The annual report serves the purposes of both a Trustees' report, and a directors' report under company law.

The trust operates an Academy for students aged 11 to 18 serving a catchment area in the Royal Borough of Kingston upon Thames. It has a student capacity of 1,400 and had a roll of 1,264 in the school census in January 2018.

Structure, governance and management

a. Constitution

The Academy trust is a company limited by guarantee and an exempt charity. The charitable company's memorandum and articles of association July 2011 are the primary governing documents of the Academy trust. The Trustees of Tolworth Girls' School and Sixth Form Academy Trust Limited are also the directors of the charitable company for the purposes of company law. The charitable company is known as Tolworth Girls' School and Sixth Form Academy.

Details of the Trustees who served during the period are included in the Reference and Administrative Details on page [1].

b. Members' Liability

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

c. Trustees' Indemnities

Subject to the provisions of the Companies Act, every governor or other officer of the Academy shall be indemnified out of the assets of the Academy against any liability incurred by them in that capacity in defending any proceedings, whether civil or criminal, in which judgment is given in favour or in which they are acquitted or in connection with any application in which relief is granted to them by the court from liability for negligence, default, breach of duty or breach of trust in relation to the affairs of the Academy.

d. Method of Recruitment and Appointment or Election of Trustees

The management of the Academy is the responsibility of the Trustees who are elected and co-opted under the terms of the Articles of Association and funding agreement as follows:

- o The Headteacher – ex officio
- o Up to 6 parent Trustees, elected or appointed - under Articles 53-58
- o Up to 7 community Trustees, appointed under Article 50
- o Up to 3 staff Trustees appointed under Article 50A, provided that the maximum number of staff Trustees does not exceed one third of the total number of Trustees
- o Up to 6 Co-opted Trustees, appointed under Article 59
- o Any Trustees appointed by the Secretary of State for Education

The term of office for any governor is 4 years. The Headteacher's term of office runs parallel with his/her term of appointment. Subject to remaining eligible to be a particular type of governor, any governor may be reappointed or re-elected.

(A Company Limited by Guarantee)

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2018

During the period under review, the Trustees held five full governing body meetings. In addition, there were regular meetings covering finance and premises, curriculum, Outcomes, Teaching and Learning & Assessment (OTLA), Student Welfare & Curriculum (SWC), Land Development Committee (LDC) and human resources (HRC).

e. Policies and Procedures Adopted for the Induction and Training of Trustees

A rigorous induction process is followed for potential Trustees prior to their appointment/election as follows:

- Prior to election potential Trustees are invited to meet with the Chair of Trustees and the Clerk to outline the governance role and a tour of the school is provided
- A follow up meeting is arranged with the Headteacher and this also includes another Governor (usually Vice Chair) to go through the outline of the school, explain the vision and development plan for the Academy
- The Governing Body is committed to providing adequate opportunities for Trustees to undertake and receive suitable training so as to enable them to undertake their role more effectively. To this end, the Governing Body maintains a Service Level Agreement with Achieving for Children, Royal Borough of Kingston upon Thames and Richmond upon Thames Children's Services department. This Agreement allows for any or all of the members of the Governing body to attend any of the training courses provided. All new Trustees are actively encouraged to take advantage of this Agreement so as to gain a better understanding of the role and responsibilities of being a School Governor. Additionally, Trustees with specific roles within the Governing Body, are strongly encouraged to undertake specific training. The Clerk to the Trustees acts as liaison between Governor Services and the Governing body.
- All new Trustees are assigned a mentor
- All new Trustees are provided with a log in for the Trustees' secure portal area to access copies of policies, procedures, minutes, budgets, plans and other documents that they will need to understand their role as Trustees and Directors of the Academy

f. Organisational Structure

At Tolworth Girls' School and Sixth Form the majority of the roles and responsibilities of the Governing Body have been delegated to a small number of committees, as defined in the Academy's Scheme of Delegation. The full Governing Body has retained responsibility for certain aspects, again as defined in the Scheme of Delegation. Members of the Senior Leadership Team (SLT), in addition to the Headteacher, attend Trustees' meetings as appropriate. The Trustees are responsible for the strategic management of the Academy; deciding and setting key aspects of the School, including strategic direction, annual budgets, senior staff appointments, policy changes etc. Operational management is the responsibility of the Headteacher and staff. The latter is carried out at a number of levels; i.e. by the Senior Leadership Team (SLT), Leadership team, Heads of Year and Subject Leaders. Academy policies are developed by senior members of the Academy's staff, to reflect both the strategic direction agreed by the Trustees and also statutory requirements. These policies are approved and adopted by the Governing Body, and implemented as procedures and systems by the SLT and other designated members of staff. During the period the Full Governing Body met five times; the Finance, Assets & Audit Committee met five times; the Human Resources Committee five times the OTLA met five times, the SWC met five times and the LDC met five times.

The Headteacher assumes the Accounting Officer role.

g. Arrangements for setting pay and remuneration of key management personnel

Pay and remuneration of key management personnel is determined in accordance with the Academy's Pay Policy. This allows for various factors to be taken into consideration on an employee's appointment, such as

TOLWORTH GIRLS' SCHOOL AND SIXTH FORM
(A Company Limited by Guarantee)

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2018

the school group size, ISR, the pay scales for each role e.g. Headteacher, Deputy Head, Senior Assistant Headteacher, and the level of experience of the staff member. The level of pay set on an employee's appointment will also take into account any nationally agreed pay awards and the ability to recruit key management personnel and retain them in post. Amendments to key management personnel's pay and remuneration which typically occur on the basis of an annual review, are determined by the Trustees' Pay Committee having regard (except in the case of the Headteacher) to recommendations made by the Headteacher. Such annual pay reviews take place for SLT teachers, subject to affordability, on the basis of awarding any increase required to reflect any increase in national minimum and maximum pay ranges plus awarding a discretionary pay scale progression (except for those who have reached the top of their scale) having regard in particular to the employee's performance against their annual appraisal objectives. In the case of support staff, the annual pay review is on the basis of automatic progression up the applicable pay scale (unless the employee is subject to capability procedure) or, where there is no scale, or an employee is at the top of their scale, by applying a cost of living increase only.

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2018

Tolworth Girls' School and Sixth Form is celebrating yet another set of outstanding results at GCSE and A Level, allowing all of our students to successfully progress onto further education, training and employment.

In a year when GCSE results have been challenging at a national level our GCSE results continued to show improvement, with our students making 'Outstanding' progress and outperforming national results. Our Progress8 Score of +0.35 was significantly above the national average. Our Attainment 8 score of was also above the national average. We were placed 9/55 for progress and attainment in our family of schools. 25% of all grades were A*/A

We were successful in securing an Outstanding report in our recent Ofsted.

As a result of this outstanding performance in exams a good number of our Year 11 have decided to continue into our Sixth Form.

In 2018 the overall Academic L3VA score was 0.02 just above expected progress; the trend is one of improvement. The school achieved grade 3 for the VA Quality & Breadth score and the percentage of grades on or above target. In 2018 the student progression scores achieved a grade 4. The AS level Alps T score was maintained, placing the school in the top 10% for VA. 15% of all grades achieved were an A*/A with almost 47% of the cohort achieving A*/B. We do offer a broad range of subjects in the Sixth Form, 77% of our students progressed on to University courses with the majority achieving the 1st/2nd choice.

c. GOING CONCERN

After making appropriate enquiries, the board of Trustees has a reasonable expectation that the academy has adequate resources to continue in operational existence for the foreseeable future. For this reason it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of

TOLWORTH GIRLS' SCHOOL AND SIXTH FORM
(A Company Limited by Guarantee)

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2018

the going concern basis can be found in the Accounting Policies.

d. Financial Review

During the period, ESFA/LA grants received totalled to £7,368,000. Other income included within restricted funds totalled to £285,000. Restricted fund expenditure totalled to £7,812,000.

a. Reserves Policy

The definition of reserves in the SORP is 'that part of a charity's income funds that is freely available for its general purposes'. This definition of reserves therefore normally excludes:

- o permanent endowment funds
- o expendable endowment funds
- o restricted income funds
- o any part of unrestricted funds not readily available for spending, specifically income funds which could only be realised by disposing of fixed assets held for charitable use

'Reserves' are therefore the resources the Academy has or can make available to spend for any or all of the Academy's purposes once it has met its commitments and covered its other planned expenditure. More specifically 'reserves' are income which becomes available to the Academy and is to be spent at the Trustees' discretion in furtherance of any of the Academy's objects (sometimes referred to as 'general purpose' income) but which is not yet spent, committed or designated (ie is 'free').

The level of reserves held takes into account the nature of income and expenditure streams, the need to match them with commitments, including future capital projects, and the nature of reserves. The Trustees will keep this level of reserves under review at each F, A & A meeting and aim to build and maintain the reserves level by entering into cost effective agreements as noted in Objectives and Activities above, whilst in keeping with the principal object of the Academy.

Total reserves at the end of the period amounted to £1,285,000. This balance includes unrestricted funds (free reserves) of £1,285,000, which is considered appropriate for the Academy Trust, and restricted funds of £nil.

Users should also note that a surplus or deficit position of the pension scheme would generally result in a cash flow effect for the Academy Trust in the form of an increase or decrease in employers' pension contributions over a period of years. The Academy Trust thus takes this fact into account when reviewing current business plans and budgets, ascertaining how the pension costs might affect budgets in the future. On the basis that increased pension contributions should generally be met from the Academy Trust's budgeted annual income, whilst the deficit might not be eliminated, there should be no actual cash flow deficit on the fund or direct impact on the unrestricted reserves of the Academy Trust due to the recognition of the deficit.

b. Investment Policy

It should be noted that the Academy has substantial power with regards to investments due to cash balances held. Investment policies are determined by the Governing Body. This ensures the level of funds the Academy holds can cover any immediate expenditure, without exposing the Academy to additional risk. Should any potential investment opportunity arise this would be escalated to the Board for consideration. The most typical investments that are held by academies are the Special Interest Deposit accounts which are immediately available to draw against. At 31 August 2018, no investments were held.

c. Principal Risks and Uncertainties

TOLWORTH GIRLS' SCHOOL AND SIXTH FORM
(A Company Limited by Guarantee)

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2018

The Companies Act 2006 s417(3b) requires disclosure of the principal risks and uncertainties facing a company. The Academy is exposed to a number of financial risks including credit, cash flow and liquidity risks. Given the Academy's exposure to financial instruments being limited, the exposure principally relates to bank balances, cash and trade creditors, with limited trade (and other) debtors. The Academy's system of internal controls ensures risk is minimal in these areas.

A risk register has been established and is updated regularly. Where appropriate, systems or procedures have been established to mitigate the risks the Academy faces. Internal control risks are minimised by the implementation of procedures for authorisation of all transactions and projects.

The Trustees have assessed the major risks to which the Academy is exposed, in particular those relating to the specific teaching, provision of facilities and other operational areas of the Academy, and its finances. The Trustees have implemented a number of systems to assess risks that the school faces, especially in the operational areas (e.g. in relation to teaching, health and safety, bullying and school trips) and in relation to the control of finance. They have introduced systems, including operational procedures (e.g. vetting of new staff and visitors, supervision of school grounds) and internal financial controls (see below) in order to minimise risk. Where significant financial risk still remains they have ensured they have adequate insurance cover.

The Academy has an effective system of internal financial controls and this is explained in more detail in the Governance Statement.

It should also be noted that procedures are in place to ensure compliance with the health and safety regulations, pertaining to both staff and students.

Please refer to the Reserves Policy above for a description of the defined benefit pension scheme, in which there was a deficit of £1,699,000 at 31 August 2018.

Fundraising

The academy trust raises funds from parental contributions for trips and activities, and lettings without the use of professional fund raising organisers.

a. Plans for Future Periods

- To continue to investigate the possible establishment by the Trust of a MAT and to develop our working relationships with other schools/establishments to enhance the learning opportunities for our students.
- To continue to liaise with the local education authority concerning the possible establishment of a Special Needs Unit in the former Sixth Form Block.
- To complete all building works to ensure the Academy can meet the needs of our students and the local community.
- To ensure the financial future of TGS is secure for the education of our students.
- To promote the well-being of staff so they can best meet the needs of our students.

. The Academy still remains an eight form entry and will maintain our intake of 240.

Funds held as custodian

.At the financial year end the Academy held funds amounting to £7,722 (2017: £17,287) as agent for the Education and Skills Funding Agency (ESFA) in the distribution of 16-19 bursary grants to pupils.

GOVERNANCE STATEMENT

SCOPE OF RESPONSIBILITY

As Trustees, we acknowledge we have overall responsibility for ensuring that Tolworth Girls' School and Sixth Form has an effective and appropriate system of control, financial and otherwise. However such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The board of Trustees has delegated the day-to-day responsibility to the Headteacher, as Accounting Officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Tolworth Girls' School and Sixth Form and the Secretary of State for Education. They are also responsible for reporting to the board of Trustees any material weaknesses or breakdowns in internal control.

GOVERNANCE

The information on governance included here supplements that described in the Trustees' Report and in the Statement of Trustees' Responsibilities. The board of Trustees has formally met 5 times during the year. Attendance during the year at meetings of the board of Trustees was as follows:

Trustees typically also serve on a number of other sub committees, as set out on the school website.

During the year the board continued to strengthen its composition by a targeted recruitment campaign to fill skill set gaps following the retirement of a number of governors. Additionally, the new Chair decided to resign towards the end of the year for personal reasons and was succeeded by one of the existing deputy chairs. The other Vice-Chair has remained in place thus affording continuity.

On the strategic front the Board further progressed its existing initiative of exploring the possibility of becoming a Multi Academy Trust (MAT). This remains ongoing. Additionally, at the instigation of the local education authority, the Board has been examining the possibility of forming a Special Needs Unit in the former Sixth Form Block. This project remains ongoing and could result in the Unit coming into being in the next academic year.

During the year, building work on the Academy's expansion continued with the commencement and practical completion of Phase 2 comprising new class rooms, new music rooms and a theatre, all of which were ready for

GOVERNANCE STATEMENT (continued)

use at the beginning of the 2018/19 academic year. Refurbishment of the Trust's heating and hot water systems was also completed.

Governance reviews:

The Trust undertook a full governance review during the 2018 summer term culminating in a report to the Board produced by the Trust's school improvement partner. This included a number of proposals for strengthening the performance of the Board through the creation and implementation of an action plan. Those proposals were approved by the Governing Body in July and, in consequence as then agreed, a governors' working party was formed to settle an action plan. This took place in September 2018 and is now in the process of being implemented. The agreed actions include actions to ensure all committee meetings are quorate, to improve succession management, information management, communications and the effectiveness and minuting of board meetings, to review the Trust's scheme of delegation and to ensure effective engagement with stakeholders

The Finance, Assets and Audit Committee is a sub-committee of the main board of Trustees. Its purpose is to make sure that the Academy is following the ESFA's financial regulations by:

- monitoring expenditure and the effective use of the Academy's physical assets
- strategic planning of finances and use of the Academy's facilities
- reviewing any issues arising from the Responsible Officer reports and the annual year end audit
- monitor the integrity of the financial statements
- review internal financial controls and review the Academy's internal control and risk management systems;
- make recommendations to the Governing Body in relation to the appointment, re-appointment and removal of the external auditor and approve the remuneration and terms of engagement of the auditor; and
- review the auditor's independence and objectivity

No significant issues to note were dealt with during the period 2017-2017.

REVIEW OF VALUE FOR MONEY

As Accounting Officer, the Headteacher has responsibility for ensuring that the academy delivers good value in the use of public resources. The Accounting Officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The Accounting Officer considers how the academy's use of its resources has provided good value for money during each academic year, and reports to the board of Trustees where value for money can be improved, including the use of benchmarking data where appropriate. The Accounting Officer for the academy has delivered improved value for money during the year by:

- Restructuring of all staff
- Realignment of the curriculum
- Evaluation of all contracts to ensure value for money

GOVERNANCE STATEMENT (continued)

THE PURPOSE OF THE SYSTEM OF INTERNAL CONTROL

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of academy policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Tolworth Girls' School and Sixth Form for the year 1 September 2017 to 31 August 2018 and up to the date of approval of the annual report and financial statements.

CAPACITY TO HANDLE RISK

The board of Trustees has reviewed the key risks to which the academy is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The board of Trustees is of the view that there is a formal ongoing process for identifying, evaluating and managing the academy's significant risks, that has been in place for the year 1 September 2017 to 31 August 2018 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the board of Trustees.

THE RISK AND CONTROL FRAMEWORK

The academy's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the board of Trustees;
- regular reviews by the Finance, Assets and Audit Committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines.
- delegation of authority and segregation of duties;
- identification and management of risks.

The board of Trustees has considered the need for a specific internal audit function and has decided not to appoint an internal auditor. However, the Trustees have appointed Maria Morris, of CEFM to carry out a programme of internal checks.

The reviewer's role includes giving advice on financial matters and performing a range of checks on the academy's financial systems. In particular the checks carried out in the current period included:

The RO's role includes giving advice on financial matters and performing a range of checks on the Academy trust's financial systems. In particular, the checks carried out in the current period included:

- testing of payroll systems
- testing of purchase systems
- testing of control account/ bank reconciliations

On a termly basis, Maria Morris the RO reports to the Board of Trustees, through the Finance, Assets & Audit committee on the operation of the systems of control and on the discharge of the board of Trustees' financial responsibilities.

The Board can confirm that the Responsible Officer has delivered their schedule of work as planned, and has provided details of any material control issues arising as a result of their work which has been addressed.

GOVERNANCE STATEMENT (continued)

On a termly basis, the reviewer reports to the board of Trustees through the Finance, Assets and Audit Committee on the operation of the systems of control and on the discharge of the board of Trustees' financial responsibilities.

REVIEW OF EFFECTIVENESS

As Accounting Officer, the Headteacher has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

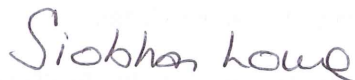

- the work of the reviewer;
- the work of the external auditors;
- the financial management and governance self-assessment process;
- the work of the executive managers within the academy who have responsibility for the development and maintenance of the internal control framework.

The Accounting Officer has been advised of the implications of the result of their review of the system of internal control by the Finance, Assets and Audit Committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the board of trustees and ESFA.

STATEMENT OF TRUSTEES' RESPONSIBILITIES
FOR THE YEAR ENDED 31 AUGUST 2018

The Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with the Annual Accounts Direction issued by the Education & Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP 2015 and the Academies Accounts Direction 2017 to 2018;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from ESFA/DfE have been applied for the purposes intended.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

**INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF
TOLWORTH GIRLS' SCHOOL AND SIXTH FORM**

OPINION

We have audited the financial statements of Tolworth Girls' School and Sixth Form (the 'academy') for the year ended 31 August 2018 which comprise the Statement of Financial Activities incorporating Income and Expenditure Account, the Balance Sheet, the Statement of Cash Flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', the Charities SORP 2015 and the Academies Accounts Direction 2017 to 2018 issued by the Education & Skills Funding Agency.

In our opinion the financial statements:

- give a true and fair view of the state of the academy's affairs as at 31 August 2018 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities SORP 2015 and the Academies Accounts Direction 2017 to 2018 issued by the Education & Skills Funding Agency.

BASIS FOR OPINION

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the academy in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

CONCLUSIONS RELATING TO GOING CONCERN

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the academy's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

OTHER INFORMATION

The Trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Auditors' Report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

OPINION ON OTHER MATTERS PRESCRIBED BY THE COMPANIES ACT 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report including the Strategic Report for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Trustees' Report and the Strategic Report have been prepared in accordance with applicable legal requirements.

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

In the light of our knowledge and understanding of the academy and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report including the Strategic Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

RESPONSIBILITIES OF TRUSTEES

As explained more fully in the Statement of Trustees' Responsibilities, the Trustees (who are also the directors of the academy for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the academy's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going

concern basis of accounting unless the Trustees either intend to liquidate the academy or to cease operations, or have no realistic alternative but to do so.

AUDITORS' RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditors' Report.

USE OF OUR REPORT

This report is made solely to the academy's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the academy's members those matters we are required to state to them in an Auditors' Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the academy and its members, as a body, for our audit work, for this report, or for the opinions we have formed.

INDEPENDENT REPORTING ACCOUNTANTS' ASSURANCE REPORT ON REGULARITY TO TOLWORTH GIRLS' SCHOOL AND SIXTH FORM AND THE EDUCATION & SKILLS FUNDING AGENCY

In accordance with the terms of our engagement letter dated 24 May 2016 and further to the requirements of the Education & Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2017 to 2018, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Tolworth Girls' School and Sixth Form during the year 1 September 2017 to 31 August 2018 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Tolworth Girls' School and Sixth Form and the ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to Tolworth Girls' School and Sixth Form and the ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Tolworth Girls' School and Sixth Form and the ESFA, for our work, for this report, or for the conclusion we have formed.

RESPECTIVE RESPONSIBILITIES OF TOLWORTH GIRLS' SCHOOL AND SIXTH FORM'S ACCOUNTING OFFICER AND THE REPORTING ACCOUNTANT

The Accounting Officer is responsible, under the requirements of Tolworth Girls' School and Sixth Form's funding agreement with the Secretary of State for Education dated 24 May 2016, and the Academies Financial Handbook extant from 1 September 2017, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2017 to 2018. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year 1 September 2017 to 31 August 2018 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

APPROACH

We conducted our engagement in accordance with the Academies Accounts Direction 2017 to 2018 issued by the ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the academy's income and expenditure.

The work undertaken to draw to our conclusion includes:

- Review and verification of evidence supporting the Accounting Officer's statement on regularity, propriety and compliance.
- Review of the Academy Trust's internal control procedures, specifically in respect to regularity, propriety and compliance.
- Focussed testing, driven by our audit of the financial statements, principally checking that:
 - o Grant income received has been expensed on prescribed expenditure; and

(A Company Limited by Guarantee)

INDEPENDENT REPORTING ACCOUNTANTS' ASSURANCE REPORT ON REGULARITY TO TOLWORTH GIRLS' SCHOOL AND SIXTH FORM AND THE EDUCATION & SKILLS FUNDING AGENCY (continued)

- o Expenditure has been appropriately authorised in accordance with the procedures outlined in the Academy Trust's financial procedures manual.
- Discussions and written representations from the Accounting Officer and other key management personnel (where applicable).

CONCLUSION

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the year 1 September 2017 to 31 August 2018 have not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2018

1. ACCOUNTING POLICIES

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgments and key sources of estimation uncertainty, is set out below.

1.1 Basis of preparation of financial statements

The financial statements of the academy trust, which is a public benefit entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2017 to 2018 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

Tolworth Girls' School and Sixth Form constitutes a public benefit entity as defined by FRS 102.

1.2 Going concern

The Trustees assess whether the use of going concern is appropriate, i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the academy to continue as a going concern. The Trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the academy trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the academy trust's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

TOLWORTH GIRLS' SCHOOL AND SIXTH FORM
(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2018

1. ACCOUNTING POLICIES (continued)

1.3 Income

All income is recognised once the academy has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of Financial Activities incorporating Income and Expenditure Account on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance Sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of Financial Activities incorporating Income and Expenditure Account in the year for which it is receivable and any abatement in respect of the period is deducted from income and recognised as a liability.

Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended. Unspent amounts of capital grant are reflected in the balance in the restricted fixed asset fund.

Sponsorship income provided to the academy which amounts to a donation is recognised in the Statement of Financial Activities incorporating Income and Expenditure Account in the period in which it is receivable, where receipt is probable and it is measurable.

Donations are recognised on a receivable basis where receipt is probable and the amount can be reliably measured.

Other income, including the hire of facilities, is recognised in the period in which it is receivable and to the extent the goods have been provided or on completion of the service.

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on raising funds includes all expenditure incurred by the academy to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Expenditure on charitable activities are costs incurred on the academy's educational operations, including support costs and those costs relating to the governance of the academy appointed to charitable activities.

All expenditure is inclusive of irrecoverable VAT.

FOR THE YEAR ENDED 31 AUGUST 2018

1. ACCOUNTING POLICIES (continued)

1.5 Intangible fixed assets and amortisation

Intangible assets costing £1,000 or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably. Intangible assets are initially recognised at cost and are subsequently measured at cost net of amortisation and any provision for impairment.

1.6 Tangible fixed assets and depreciation

All assets costing more than £1,000 are capitalised and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance Sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Statement of Financial Activities incorporating Income and Expenditure Account and carried forward in the Balance Sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Statement of Financial Activities incorporating Income and Expenditure Account. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

Depreciation is provided on all tangible fixed assets other than freehold land, at rates calculated to write off the cost of these assets, less their estimated residual value, over their expected useful lives on the following bases:

Tangible fixed assets are carried at cost, net of depreciation and any provision for impairment. Depreciation is not charged on freehold land. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Freehold property	-	2%
Furniture and fixtures	-	20%

Assets in the course of construction are included at cost. Depreciation on these assets is not charged until they are brought into use.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities incorporating Income and Expenditure Account.

1.7 Stocks

Stocks are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads.

1. ACCOUNTING POLICIES (continued)

1.8 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

1.9 Cash at Bank and in hand

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.10 Liabilities and provisions

Liabilities and provisions are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the academy anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide. Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

1.11 Financial instruments

The academy only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the academy and their measurement basis are as follows:

Financial assets - trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost as detailed in note 20. Prepayments are not financial instruments. Amounts due to the academy's wholly owned subsidiary are held at face value less any impairment. Cash at bank is classified as a basic financial instrument and is measured at face value.

Financial liabilities - trade creditors, accruals and other creditors are financial instruments, and are measured at amortised costs as detailed in note 21. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instruments. Amounts due to the academy's wholly owned subsidiary are held at face value less any impairment.

1.12 Taxation

The academy is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the academy is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

1. ACCOUNTING POLICIES (continued)

1.13 Pensions

Retirement benefits to employees of the academy trust are provided by the Teachers' Pension Scheme ("TPS") and the Local Governments Pension Scheme ("LGPS"). These are defined benefit schemes.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the academy in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. As stated in note 27, the TPS is a multi-employer scheme and there is insufficient information available to use defined benefit accounting. The TPS is therefore treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

The LGPS is a funded scheme and the assets are held separately from those of the academy trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each Balance Sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Statement of Financial Activities incorporating Income and Expenditure Account and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

1.14 Agency arrangements

The academy disburses 16 - 19 bursary funds as agency for the ESFA. Income and expenditure is not included in the trust accounts. Any balance of undistributed funds are included within creditors to be refunded to the ESFA.

1.15 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the academy at the discretion of the Trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Department for Education Group.

FOR THE YEAR ENDED 31 AUGUST 2018

1. ACCOUNTING POLICIES (continued)

1.16 Critical accounting estimates and areas of judgment

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The academy trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost (income) for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 27, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 August 2017 has been used by the actuary in valuing the pensions liability at 31 August 2018. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

2. GENERAL ANNUAL GRANT (GAG)

Under the funding agreement with the Secretary of State the academy was subject to limits at 31 August 2018 on the amount of GAG that could be carried forward from one year to the next. An amount equal to 12% of GAG could be carried forward, of which up to 2% could be used for general recurrent purposes, with any balance being available for premises/capital purposes.

The academy has not exceeded these limits during the year ended 31 August 2018.

27. PENSION COMMITMENTS

The academy's employees belong to two principal pension schemes: the Teacher's Pension Scheme for England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Royal Borough of Kingston-upon-Thames Pension Fund. Both are Multi-Employer Defined Benefit Pension Schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2012 and of the LGPS 31 August 2017.

There were no outstanding or prepaid contributions at either the beginning or the end of the financial year.

Teachers' Pension Scheme

Introduction

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pensions Regulations (2010) and, from 1 April 2014, by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies and, from 1 January 2007, automatic for teachers in part-time employment following appointment or a change of contract, although they are able to opt out.

The TPS is an unfunded scheme and members contribute on a 'pay as you go' basis – these contributions along with those made by employers are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2012 and in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014. The valuation report was published by the Department for Education on 9 June 2014. The key elements of the valuation and subsequent consultation are:

27. PENSION COMMITMENTS (continued)

- employer contribution rates set at 16.48% of pensionable pay, including a 0.08% employer administration charge.
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £191,500 million, and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £176,600 million giving a notional past service deficit of £14,900 million
- an employer cost cap of 10.9% of pensionable pay will be applied to future valuations
- the assumed real rate of return is 3.0% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.75%. The assumed nominal rate of return is 5.06%.

The TPS valuation for 2012 determined an employer rate of 16.4%, which was payable from September 2015. The next valuation of the TPS is currently underway based on April 2016 data, whereupon the employer contribution rate is expected to be reassessed and will be payable from 1 April 2019.

The employer's pension costs paid to TPS in the period amounted to £[enter amount] (2017 - £528,777).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website (www.teacherspensions.co.uk/news/employers/2014/06/publication-of-the-valuation-report.aspx).

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The trust has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined benefit scheme, with assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2018 was £283,000 (2017 - £339,000), of which employer's contributions totalled £227,000 (2017 - £276,000) and employees' contributions totalled £56,000 (2017 - £63,000). The agreed contribution rates for future years are 25.5% for employers and 6.3% for employees.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.
