Dear Parent/Carer

ASPIRE Aim High Challenges

I am writing to share with you an exciting resource that we have created to further your daughter's learning outside the classroom. The ASPIRE Aim High Challenges are a collection of recommendations from each department, designed to stimulate and stretch students during the holidays and/or in free time during term-time. We have already seen some fantastic engagement with the ideas, ranging from recommendations of books, documentaries and podcasts to art exhibitions, dance shows and days out. We hope this will provide a source of inspiration for your daughter over the summer holidays and beyond, to explore her existing interests and discover new pathways in her learning.

Our whole-school Aspire initiative aims at creating an ethos of high expectations and aspirations. We strive to provide a stimulating environment for all, ensuring our students are stretched, challenged and curious learners.

The ASPIRE Aim High Challenges are attached to this letter. They can also be found on the Aim High Challenges channel on the left hand-side of each year group Teams page and will shortly be available on the school website. Subjects are listed in alphabetical order and there are categories per Key Stage. Please encourage your daughter to share her discoveries on the Teams channel so that we can celebrate them.

Yours faithfully

Miss R Johns
Aspire Co-ordinator

Mrs E Thompson
