Dear Parent/Carer

## New Catering Provider from April 2024

Following on from a competitive catering tender, we are pleased to announce that the chosen supplier is Harrison Catering.

The contract will commence on Monday 1 April 2024 and some exciting changes to the menus and offers will be introduced. These will be available to view on the school website the week commencing Monday 25 March 2024.

The attached flyer tells you a little more about Harrison Catering and some of the things you can expect to see.

We will still continue to use ParentPay for purchasing. As before, there will be no overspend allowed, therefore please ensure that there are enough funds on your daughter/son's account ahead of them visiting the Windmill Café.

One of the criteria for the tender process was to improve the service time for our students and staff. To this end, we are having an overhaul of our current biometric setup to now include biometric facial recognition, as well as the existing biometric fingerprint. If you do not wish us to include your daughter/son in this setup, then please let us know by Monday 11 March 2024 via the Arbor parent app.

Yours faithfully

Mrs C Germani
