19 November 2022

Dear Parent/Carer

## Whole School Curriculum Day - Friday 18 November 2022 Year 10 - English and IT Cross-Curricular

As part of the next Whole School Curriculum Day, your daughter will be taking part in a cross-curricular day, combining IT and English skills and content. On this day the normal timetable will be suspended to allow students the opportunity to explore and deepen their learning in a particular aspect of the curriculum.

Year 10 will be working in their English classes, divided into small teams, and will work together to produce a portfolio of pieces inspired by their English Poetry Anthology. Students will take ownership over the direction of their pieces. They will experiment with writing in different tones and genres, bringing their literature to life in a creative and multi-media way. Each class will also take part in an IT workshop and develop their IT skills through a variety of different programmes.

Students should arrive in school as normal for an 8.25am start. They will register in their Tutor Groups and then go immediately to their designated English classroom. Students will be given their brief at the start of the day and will get creative straight away! Portfolios will be shared and submitted by the end of the day for us to celebrate. The Windmill Café will be open as usual for lunch and snacks. The day will finish at 2.55pm. Students are required to wear their full school uniform and should bring pens and coloured pencils with them.

We look forward to a fantastic day.

Yours faithfully

Miss C Gatt  
Director of English & Media/Drama
