

29 January 2024

Dear Parent/Carer

## Whole School Curriculum Day - Wednesday 13 March 2024 Year 12 - Future Directions Day

I am writing to inform you that on Wednesday 13 March 2024 the normal timetable will be suspended to allow Year 12 students to partake in a Future Directions Day hosted by our Sixth Form Team and guest speakers.

Students are expected to be at school by 9.15am and will be dismissed at 3.10pm. Break and lunch will be at normal times during the day and food will be available from the sixth form canteen for purchase.

During the day we will introduce students to their future options including apprenticeships, university, internships and employment. This will be led by myself and our highly experienced and knowledgeable sixth form Careers Advisor, Mrs Hewitt. We will be providing essential information and advice on a range of post-Year 13 options, as well as the processes and requirements for applying for these opportunities. In addition, we will have external speakers coming in to advise the students and answer questions. In the final part of the day we will guide the students through an overview of the application processes for UCAS and apprenticeships and ensure that they understand the support available in school, as well as our internal deadlines.

We will also be providing information packs for you as parents/carers so that you are able to support your daughter/son over the coming year in making the right decisions for their future pathway.

It is essential that all Year 12 students are in attendance for this day and any absenteeism due to illness should be reported as usual via the absence line.

We look forward to a highly informative and valuable day with Year 12.

Yours faithfully

Miss L Bevan  
Head of Year 12
