10 May 2023

Dear Parent/Carer

Whole School Curriculum Day - Thursday 25 May 2023 Year 12 - Talk About the Future

On Thursday 25 May 2023 your daughter/son will be in school experiencing a range of workshops, delivered by the Jack Petchey Foundation, which are designed to prepare them for the demands of university, apprenticeships and employment.

During the workshop students will:

- Build upon skills they began to develop in our previous Whole School Curriculum Day session
- Talk about their life experiences and translate these into a defined set of unique skills
- Talk about their plans for moving on and how confident they feel about this
- Learn more about preparing for an interview and appropriate communication during an interview
- Prepare a set of open questions and undergo mock interviews, both as interviewer and interviewee
- Explore the impact and necessity of personal anecdotes within the interview situation

The Sixth Form area will not be accessible on this day as it is being used by another Year Group but the Windmill Café will be available.

Students should arrive at school as normal for an 8.25am start. They will register in their groups in the allocated rooms.

The day will finish at approximately 3.00pm.

This will be a thoroughly enjoyable and rewarding day and provide the students with vital oracy skills which will stand them in good stead in the future. We expect all Year 12's to be present on the day. Registers will be taken in order to record attendance and we ask that you use the usual channel to notify us if your child is ill and unable to attend.

Yours faithfully

Mrs L Viola
Head of Year 12
