Dear Parent/Carer

Whole School Curriculum Day - Thursday 25 May 2023
Year 7 - Citizenship

I am writing to inform you that there will be a Whole School Curriculum Day on Thursday 25 May 2023. On this day the normal timetable will be suspended to allow students the opportunity to explore pastoral topics in depth.

The whole school curriculum day will encompass a variety of different activities focusing on citizenship. Students will explore reasons to support charity fundraising and develop their own action plans in line with our school ethos of "creating positivity". In the afternoon students will take part in fun team building challenges outside (weather permitting) thus students should bring trainers with them.

This is a really important day where students will engage with issues relevant to young people today. Our aim is for students to be able to sensibly navigate through some of the challenges which lie ahead, and to give them information and tools to help them to make wise choices.

Students should arrive in school as normal for an 8.25am start in their school uniform. For the 'team building' session students will need trainers. They are allowed to wear trainers all day or they are welcome to wear usual school shoes and change into their trainers during lunch. They will need to bring a pencil case for their other sessions. They will register with their Form Tutors before beginning their first session at 8.35am. The room for the day will be assigned to each Tutor Group at a later date. The Windmill Café will be open as usual for break and lunch and the day will finish at the usual time.

If you have any questions or concerns regarding the content being covered on the day, please do not hesitate to get in contact.

Yours faithfully

Mr S Garnham
Head of Year 7
